

2018-19 Birthday Book Club

Archway Lincoln honors birthdays through the Birthday Book Club, instead of in-class birthday celebrations.

Here's how it works:

- Parents sign up their children and make a \$20 donation per child. If you wish to pay by check, please fill out this form.
- PSO uses the funds collected to buy books for the library based on an established list.
- Every month beginning in August, PSO will invite all birthday students celebrating that month, and their parents, to the library to enjoy treats and sing "Happy Birthday."
- Students who have made a donation to the library will get to affix the following sticker to the inside cover of the book they choose:

The book will forever bear the sticker with their name, and students who check out the book in the future will have fun seeing who selected it and will be proud of "their" lasting addition to the library!
